

High School Microscope

Model: M220FLDM

- DUAL MONO HEAD
- WF10X EYEPIECE
- 4X, 10X, 40X DIN ACHROMAT OBJECTIVES
- ATTACHED MECHANICAL STAGE WITH 0.65 CONDENSER
- FLUORESCENT ILLUMINATOR

M220 Series Designed for High School biology, these durable and reliable microscopes are built to last and are backed by our Limited Lifetime Warranty. Select from a wide range of models and features to meet your needs. Pick from traditional models with tungsten bulbs or cool-lite fluorescent bulbs.

A selection of heads are available; chose from models with an inclined monocular head to dual, or "Teaching" heads. All models are parfocal and parcentered. All stages are drilled and tapped to accept optional mechanical stages; while certain models are available with mechanical stages already installed.

Each microscope includes arm-mounted cord wrap, dust cover and instruction manual.
